

It is a pleasure for us to invite you to participate in the **XXXII World Congress of the World Association of Societies of Pathology and Medicine of Laboratory (WASPALM)**, together with the **55th Congress of the Brazilian Society of Clinical Pathology/Laboratory Medicine (SBPC/ML)**, to be held from the 5th to the 8th of September 2023, **PRO MAGNO Events Center** in the city of São Paulo - Brazil.

WASPALM is committed to improving health throughout the world by promoting the teaching and practice of all aspects of pathology and laboratory medicine.

The contribution of Clinical Pathology, recent advances and future guidelines in pathology and laboratory medicine are included in the theme of the Congress: **"Role of the Laboratory Clinician in Health Promotion"**.

As a world scientific association, WASPALM proposes that its congresses be those of all scientific societies and associations that constitute it. So we invite you to participate, with their symposiums and with the support of the residents, who are our future, in the 2nd Meeting of Resident Physicians in Pathology and Laboratory Medicine, with the challenge of scientific work, and with everyone's ideas and proposals, for the development of our WASPALM. We thank you deeply for that.

The joint WASPALM and SBPC/ML Congress will be in person with 10 rooms simultaneous meetings and a broad technical scientific exposure, to unite scientific, academic and socially to all Clinical Pathologists, Pathologists and Clinical Laboratory Professionals of the world. For which we have chosen the beautiful city of São Paulo, one of the most populated cities in Latin America, modern and easily accessible, with air connectivity with everybody. Their quality of life and kindness will allow us to enjoy a pleasant stay.

We hope to see you all in São Paulo, Brazil in September 2023.

Sincerely,

Prof. Dr. Walter Alallón
